## Team Knockout Rules

- There are two groups six teams randomly selected, which means one or two blind teams in each.
- A team receives 2 points for every game won and two points for the winning series, making a total of 8 points a match. All scores will include your handicap.
- Absent bowlers/team will be awarded the current blind for this competition for each game and series.
- Every team will play against each other once, with the top two in each group going forward into the finals.
- A blind team cannot go through to the finals, the next best team(s) will take its place.
- Matches will be played on **Weeks 03, 00, 00**, and the finals on **Weeks 00, 00 and 30**.
- The team at the top of the table after all the final matches are bowled will be the winners.
